Home Learning for 'Unsinkable'

HOME LEARNING MENU

Your task is to design a poster to try and get people to buy a ticket for the Titanic.

You can also choose to:

create a model of the Titanic;

create an artefact from the Titanic. For example, jewellery, ticket, toys, games, instruments;

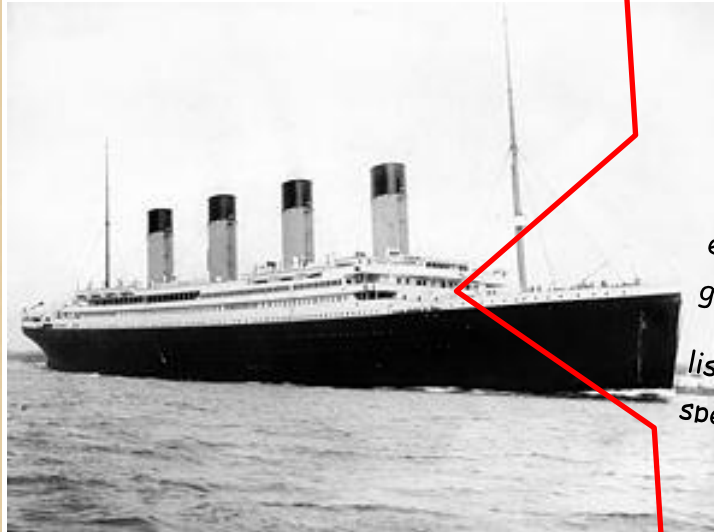

write a diary entry from someone who travelled on the Titanic (Captain, crew, passenger, child).

These will be on display in our museum.

For your poster remember to:

- make it colourful and inviting;
- make dates and prices clear and accurate;
- plan your poster carefully, thinking about size and what you want to include on it.

Enlist the help of an adult or friend to:

check you are using your scissors correctly and safely;

show you how to properly use any equipment or materials you are going to use;

listen to your ideas and check any spelling or dates.

The Unsinkable Museum will be open on **Thursday 13th February 2025** at 3.30pm in Parks, Nightingale and the Year 2 corridor.

We will need your home learning, which will be in our exhibition, to be in school by **Monday 10th February.**

Full steam ahead!

Our visit to the SeaCity museum in Southampton will be on **Friday 17th January**
