

THE CURSE OF THE MAYA

After breaking the code to discover the Ancient Maya number system, your next challenge is to find out about the different Maya monuments.

As Historians, you will need to use your investigative skills to discover the wide range of Maya monuments and to create a replica of that monument. This could be a model or a picture / drawing.

As a Historian, you will:

- research different Maya monuments
- evaluate the sources and choose an appropriate monument
- demonstrate your understanding of your monument by creating a replica of it

Your home learning will be shared in class and will also be used as decorations for our Maya restaurant!

Please bring in your completed home learning by Monday 13th October.

You may be inspired by these ideas:

- Temple
- Pyramid
- City
- Pok ta Pok court
- Stelae
- Glyph
- Statue
- Mask
