

In English the children will be:

- Write a portal story, using fronted adverbials, where the children will travel to the past and recount life in Roman times.
- Create a letter of application to join the Roman army, focusing on the positive benefits and negative implication of life as a Roman Solider and making links to our lives today.

Romans' Rule

As historians, the children will discover key facts about the Roman Empire and Roman life. This knowledge will be gained through comprehension of non-fiction texts. Once they have an overview of the Romans, they will generate their own enquiry question to base their personal research on. The children will work collaboratively in teams to create an exhibition about the Romans which will be shared with parents.

In History the children will be:

- Creating a timeline of key Roman events
- Learning about life as a Roman soldier
- The failed invasion of Julius Ceaser
- The Romanisation of Britain focussing on technology and cultural changes.
- Learning about rise and fall of the Roman Empire
- Learning about the reign of Boudicca.

In Art the children will be:

- Planning and designing a Roman mosaic tile.
- Make a Roman mosaic on-line.
- Design and make a simple tile mosaic using clay based on the style researched.

Please see the attached Home Learning that has already been explained to your child. We really value the support you show to your child with their home learning in order for them to consolidate their collaboration and thinking skills. The Home Learning will be acknowledged in class as each child presents their shield and explains their personalisation before working collaboratively.
