

Dear Parents and Carers,

We are writing to let you know about an exciting change to how we will be monitoring children's reading at home.

From **Monday 24th November**, we will no longer be using BoomReader. Instead, each child will receive their own Reading Log Book to record their daily reading at home.

How the Reading Log Works:

Children should bring their Reading Log Book home each evening and return it to school every morning. After your child reads - either to you, to another family member, or independently – the children will record the title of the book and how many pages they have read. Please can you sign the log once this has been done.

We encourage children to read for at least 10–15 minutes each day, and teachers will check and celebrate completed logs each week.

Reading Incentive:

To make reading at home even more exciting, we're introducing a Reading Raffle Challenge! If your child reads on at least four nights each week and has their log signed, their name will go into a hat for the end-of-term Reading Raffle.

The more weeks they manage to read four or more nights, the more entries they'll have in the draw - and the greater their chance of winning a prize!

We hope this new system will encourage children to read regularly and take pride in recording their progress. Your support in hearing your child read and signing their Reading Log each night is invaluable in helping them grow as confident, enthusiastic readers.

Thank you for your continued support and encouragement.

Kind Regards,

Roy Lathwell
