

Dear Parents and Carers,

Information about Year 6 SATs 11th May – 14th May 2025

As you will be aware, your child will be taking Statutory Assessment Tests (SATs) in May 2026. We have a full programme at school to support your child as they prepare for their assessments.

We endeavour to ensure that all children can fulfil their potential by preparing them for these tests as we want all children to do their best. We do not want you or the children to be concerned or anxious about these assessments.

Consequently, we are inviting you to an information evening, on **Thursday 13th November at 5:30pm**, to share important information regarding the SATs, as well as tips as to how best you can help your child at home over the coming months. This will also be an opportunity for you to ask questions about the assessment week.

In order to support the children in their learning, we have arranged with a publisher to sell revision guides to parents at a discounted price. The books will be available to view at the information evening and before and after school in the front office from **Monday 10th November – Friday 14th November**. More information about the content and use of books will be shared on the evening.

There is no obligation to buy any of these however, in previous years, the feedback from parents and children has been very positive and we hope that you find them useful to support at home should you wish to buy any. An order form will be available on the evening and in the front office from **Monday 10th November – Friday 14th November**.

Thank you for your continued support and please contact us if you have any further questions.

Yours sincerely

Year 6 Team
